➤ Shout-out to **Sean Gallagher, Andrew MacNally, Dan McElroy** and **Gabe Levin** of **Bartlit Beck** who represent Hamilton Sundstrand Corp. in the first of over 30 related cases stemming from allegations that the company's former Camdenton, Missouri, facility exposed the surrounding community to trichloroethylene, a degreasing solvent used in its metal products manufacturing plant. Last week, in a wrongful death suit brought by the family of a local resident who claimed the contamination caused him to develop a fatal autoimmune kidney disease, the Missouri Court of Appeals upheld a defense verdict for Sundstrand and its co-defendant, Modine Manufacturing Co. The Bartlit Beck team representing Sundstrand includes **Sean Gallagher, Andrew MacNally, Dan McElroy** and **Gabe Levin**. Modine, which purchased the plant from Sundstrand in 1990, was represented by **Patrick Fanning** and **Kayla Brewe** of **Lathrop GPM** and **Brian Watson** of **Riley Safer Holmes & Cancila**.
