

GLEN SUMMERS AND BARTLIT BECK TEAM WIN JURY VERDICT ON FRAUD AND BREACH OF CONTRACT AGAINST JANUS CAPITAL

05.2009

Glen Summers and a Bartlit Beck team obtained a jury verdict on all counts against Janus Capital on behalf of former Janus Portfolio Manager Ed Keely in Denver District Court. After deliberating for 7 hours, the jury found that Janus acted fraudulently toward Mr. Keely, breached an employment contract, and violated the Colorado Wage Act. The jury awarded all damages sought—\$4.8 million—which, after statutory enhancements, interest, and attorneys fees, will result in an award of approximately \$7 million.
