
BARTLIT BECK DEFEATS VEHICLE NAVIGATION PATENT CLAIMS FOR NAVTECH

Etak v. Zexel and NavTech (1997)

Mark Ferguson won a summary judgment of non-infringement and invalidity for our client NavTech in the Northern District of California. Etak sued for patent infringement on technology related to computerized in-vehicle navigation and display systems. Judge Conti entered judgment of non-infringement or invalidity on 91 of 92 asserted claims and the case settled favorably thereafter.
