

BARTLIT BECK WINS \$137 MILLION VERDICT

A Bartlit Beck team led by Steve Derringer and John Hughes recently obtained a \$137 million dollar verdict for their client, Meso Scale Diagnostics, in Federal Court in Wilmington Delaware. After a six-day trial and fewer than two hours of deliberation, the jury returned a verdict finding that the Defendant Roche Diagnostics had willfully infringed all of the asserted patents and awarding damages of \$137,250,000. Nosson Knobloch, Daniel Taylor, and Stacy Maione rounded out the Bartlit Beck trial team.
