BARTLIT BECK ATTORNEYS NAMED CLIENT SERVICE ALL-STARS

Phil Beck and Steve Derringer were named Client Service All-Stars in the BTI Consulting Group's annual listing of attorneys "who drive superior client relationships."

This award is given to a small group of lawyers nationwide and is based upon the following factors:

- Client focus;
- Exceptional understanding of the client's business;
- Outstanding results;
- Outsized value; and
- Legal skills

Attorneys are identified "solely and exclusively by corporate counsel." The only way to be included on the list "is through an unprompted, unequivocal recommendation from corporate counsel." Phil is one of only six attorneys who were nominated by more than one client.
