

PHIL BECK AND ADAM HOEFLICH NAMED LMG LIFE SCIENCES 2012 STARS

06.2012

LMG Life Sciences, the only publication dedicated to the comprehensive analysis of the life sciences industry, named Bartlit Beck partners Phil Beck and Adam Hoeflich "Life Sciences Stars" in its first edition.

Phil Beck and Adam Hoeflich were named among the preeminent product liability trial attorneys in the country.

LMG Life Science's research involved over 1,000 online surveys and interviews with nearly 600 attorneys in the United States, as well as a review of public information and feedback from clients within the industry. Through this process of peer opinion, market feedback and independent research, LMG created its list of "star" attorneys working in life sciences.

About LMG Life Sciences 2012:

LMG Life Sciences 2012 is the definitive annual resource for pharmaceutical and life sciences executives seeking experienced legal counsel. It contains listings and analysis of the leading law firms and attorneys in the life sciences sector.

LMG Life Sciences 2012 takes a multi-disciplinary approach to the legal industry servicing companies in the biotech, agritech, pharmaceutical, and medical device industries. It strives to be the ultimate resource for in-house counsel identifying leading lawyers and firms in multiple practice areas. These practice areas include intellectual property, regulatory, transactional and non-IP litigation, which play important roles in guiding a product through its lifecycle.

LMG Life Sciences is published by the Legal Media Group in association with Benchmark: Litigation, Managing IP, and IFLR.
